-
- Driffield NPT will continue to deliver the Mini Police programme at Nafferton School which concludes on 25th June
- Driffield NPT continue to work closely with East Riding Council ASB Team and Housing Team in order to conduct regular joint visits and street surgeries.
- The forthcoming period sees the beginning of the traditional 'show/fayre' season. Namely, Driffield Show will be attended by Driffield NPT in July. Adequate staffing has been arranged for the event.
- The forthcoming period sees the beginning of the School Summer Holidays starting at the end of July. Driffield NPT continue to attend local schools to deliver a talk on the Lifestyle Project ahead of the School Holidays.

On The Move

I have worked at Driffield Police Station for the past eight years as a Front Enquiry Officer. During this time, I have taken great pride in serving the local community, supporting members of the public, and working alongside colleagues to provide a professional and approachable front counter service.

Over the years, I have built strong relationships within the community and gained valuable experience dealing with a wide range of enquiries and situations. Working at Driffield has been both rewarding and fulfilling, and I am grateful for the opportunities and experiences I have had here.

I will be moving to Beverley Police Station to continue my role covering the front enquiry office. While I will be sad to leave Driffield after so many years, I look forward to the new challenges and opportunities ahead in Beverley and to continuing to provide the highest standard of service to the public.

Regards Dave

2Wheel roads policing operation launched

We are supporting a national campaign aimed at improving safety for motorcyclists and cyclists across our region as part of the National Police Chiefs' Council (NPCC) 2Wheel Operation.

Running from Tuesday, 2 June to Monday, 15 June 2026, the operation marks the start of the summer season for two-wheel road users and focuses on reducing the number of people killed or seriously injured on our roads.

Motorcyclists remain disproportionately represented in road traffic collisions across the UK, highlighting their increased vulnerability compared to other road users.

In the Humberside area, between May 2025 and May 2026, there were 266 road traffic collisions involving motorcyclists, including 102 serious injury collisions and 13 fatal collisions.

While motorcycles can travel at similar speeds to cars, riders do not benefit from the same level of physical protection in a collision, meaning even minor misjudgements can have serious or fatal consequences.

Neighbourhood Watch Volunteer Recognition Awards 2026 – Nominations Now Open!

Our volunteers are the heart of Neighbourhood Watch. Every day, they make a positive impact in their communities by supporting neighbours, promoting community safety, tackling local issues, and helping to bring people together. Their commitment, passion, and hard work deserve to be recognised and celebrated.

Do you know a Neighbourhood Watch volunteer who consistently goes above and beyond?

This could be a local Scheme or Area Coordinator, a Cyberhood Watch Ambassador, a Membership Support Administrator (MSA), an Association Lead or committee member, a member of our Youth Council, or one of our Trustees. We also encourage nominations for our Young Volunteer Award, which recognises young people who champion Neighbourhood Watch values and make a meaningful contribution through their volunteering.

The 2026 Volunteer Recognition Awards categories are:

- Crime Prevention
- Community Health and Wellbeing
- Innovation and Reach
- Young Volunteer
- Special Recognition Award

We are delighted to announce that nominations for the **Neighbourhood Watch Volunteer Recognition Awards 2026** are now open.

To nominate a volunteer, please click [HERE](#).

Nominations close on Sunday 5 July 2026.

This is your opportunity to recognise the individuals whose dedication helps make our communities stronger, safer, and more connected.

We look forward to receiving your nominations.

Make Your Neighbourhood Safer: Report Empty Buildings

Empty properties can quickly attract anti-social behaviour (ASB), affecting not just the building but the wider neighbourhood. Evidence across the UK shows that vacant, poorly managed buildings are more likely to experience vandalism, fly-tipping, trespassing and other nuisance activity. Even one neglected property can increase local complaints and reduce how safe residents feel.

Empty buildings also signal neglect, which can encourage further disorder — often referred to as the “broken windows” effect. In contrast, occupied and well-maintained properties act as a deterrent, helping to prevent problems before they start.

One effective solution is Property Guardianship. Carefully vetted individuals live or work in vacant buildings under temporary agreements, keeping them secure, occupied and maintained. Their presence provides natural surveillance, helping to reduce unauthorised access and ASB.

How you can help

Through Neighbourhood Watch’s partnership with Ad Hoc Property Management, members can now raise concerns about empty properties in their area. Reporting a vacant building is a simple step that can help:

- Reduce anti-social behaviour and nuisance activity
- Prevent vandalism, arson and illegal occupation
- Improve community safety and confidence
- Support faster action from property owners

If you notice a vacant building that may be causing issues, you can complete a short form on the Neighbourhood Watch website.

[Report an empty building in your area | Neighbourhood Watch Network](#)

Where appropriate, the property owner will be contacted to explore options for securing and managing the building — helping to create safer, more settled neighbourhoods for everyone.

Any income received by Neighbourhood Watch through this partnership will be used to support our work tackling the impact of anti-social behaviour across England and Wales.

Secure your Bike Safe space today!

Our first two Bike Safe events of 2026 have been a success so far, thanks to everyone who came down! Spaces are filling up for the remainder of the year and due to requests, we've now added a Wednesday workshop too!

Wondering what Bike Safe is? 

BikeSafe is a nationally supported road safety initiative offering new riders a full-day workshop combining classroom learning and real-world experience.

Led by trained police motorcyclists and accredited observers the course covers topics like hazard awareness, cornering, filtering, overtaking, group riding and more. All you need to take part is your own motorbike, a full UK or restricted power licence is required, and you will need to bring it and insurance/MOT certificates.

Our force is running a series of events occurring on:

- Saturday, 11 April – **FULL**
- Wednesday 22nd April
- Sunday 3rd May
- Sunday, 10 May – **FULL**
- Wednesday 3rd June
- Sunday, 28 June
- Sunday, 12 July
- Saturday, 22 August
- Saturday, 19 September

 Share this post with someone who could benefit from the course and register your interest here: <https://ow.ly/ybuy50YkUql>
